## Attendance Policy

Dear Parents/Guardians,

As a patient of All About Kids Pediatrics, your child is receiving comprehensive health care at our practice. We are committed to providing premier care for your children and we place a priority on each child's individual needs and special attention throughout infancy and into adolescence. In order for us to continue to provide this service, we ask that you follow the well child check schedule below as recommended by the CDC:

### ***Newborn***

In the first 72 hours and at 2-4 weeks of age.

### ***First Year of Life***

2, 4, 6, 9 and 12 months of age.

### ***Second Year of Life***

15, 18 and 24 months of age.

### ***Early Childhood***

2, 3, 4 and 5 years of age.

### ***Early School Years***

6, 7, 8, 9 and 10 years of age for children with medical problems requiring routine daily prescription medications or referrals to specialists. Otherwise, for children without these requirements, office visits at 6, 8 and 10 years of age are acceptable.

### ***Adolescence and Early Adulthood***

Yearly visits from age 12 until high school graduation.

You will receive a reminder call from our office if you have not already scheduled an appointment. However, if there is a significant lapse past the annual scheduled time for the well child visit, and you have not made an appointment, you will be dismissed from our practice. It is very important for us to be able to monitor your child/ren's health.

Thank you for your understanding regarding your child/ren's well child care at our office, we appreciate your following the recommended CDC guidelines here at All About Kids Pediatrics. Please call our office if you have any questions or concerns at 678-646-0404.

Sincerely,

Dr. Jill Overcash & Dr. Claire Wilkiemeyer
